

Dear Traders Point Families,

We would like to welcome you to Traders Point Christian Academy's Before and After School Care Program (BASC). This program has been modified to provide what we consider to be one of the most important areas of service to our students and families outside of our academic school day.

Our BASC Program provides a safe, engaging and nurturing environment for students requiring these services. We will emphasize an atmosphere that will balance student enrichment and recreation in a stimulating and enjoyable setting.

This handbook has been provided to help answer questions that you may have about Before and After Care. We look forward to serving you and your family and are prayerful for a successful 2018-2019 school year.

We will **NOT** have After School Care on any day when the road conditions are rapidly deteriorating due to snowy or icy conditions. If there are indications of significant accumulations of snow or ice that jeopardizes the safety of our 5:30 PM drive home, then we will cancel for that day. In the event of this occurring, we will send out an Parent Alert notification. Feel free to contact the school office at 317-769-2450 on these types of days for further information. These decisions will typically be made by 2:30 PM.

Pick-up Policy

Persons picking up children from the After School Care program **MUST** come inside and wait for staff to sign out your child through our system. **At no time** will a child be sent out without personnel from After Care signing them out.

*All persons authorized to pick-up your child should be listed in Renweb. We understand that due to unforeseen circumstances it may be necessary for a person not on the list to pick up your child. In these cases, we need a note signed by the parent **or** the parent needs to call and verbally authorize the pick-up **before** the person arrives. It may be necessary for the person to show identification or wait until you can be reached before we will release your child. This is to ensure proper safety for your child.
