

Marsh Fresh Ideas 4 Education!

Marsh Supermarkets is proud to once again provide a program to earn **FREE** educational, technological and extracurricular equipment for our school. Last school year TPCA was able to “purchase” an electronic keyboard, a portable podium and (2) DVD/VCR players with the points accumulated from our Fresh Ideas cards. Fresh Ideas 4 Education is an easy way to contribute to our school without selling anything.

We have provided the form at the bottom of this page for you to fill in your twelve digit Fresh Idea card number. You do not need to fill in a name, address or anything else! Return this form to your child’s teacher and then simply scan your card each time you shop at your local Marsh store. Your purchases will automatically accumulate points for our school to use toward much needed items that a tight budget cannot provide.

Your Fresh Idea Card may be used in conjunction with the Marsh gift cards that are purchased through the school’s SCRIP program. Buy your gift cards, do your grocery shopping, scan your Fresh Idea Card at the check out and our school benefits TWICE!

If you have friends or family members that would like to participate, space has been provided for multiple card numbers.

For questions on this program you may contact Robin Ogden at 769-2450 ext. 248 or email at rogden@tpcs.org.

Thank you for taking the time to do this for our school!

Fresh Ideas 4 Education

Card Number: _____

Card Number: _____

Card Number: _____

*Card numbers are twelve digits long and are located on the back of your card underneath the bar code!
