

Parent Covenant

(must be signed by parent or guardian)

I, the undersigned parent or guardian, understand that Traders Point Christian Academy is a private Christian school with the purpose of educating children in areas of spiritual, academic, physical, and social growth. I have chosen TPCA for my child out of a commitment to see my child grow up in all ways that honor God and the Lord Jesus Christ. I also seek the development of all potential skills, knowledge and character that are available to my child through God's design. With this understanding and these goals, I agree to the following:

- To support and encourage the application of the Christian worldview involved in my child's learning experience by extending classroom instruction of Christian principles into family life.
- To support my child's teachers in their plan for my child's educational experience by demonstrating respect and confidence in each teacher and his/her educational leadership.
- To encourage my child in the accomplishment of homework, projects and other school related activities by maintaining a good study setting and work habits at home.
- To assure my child's attendance on a daily basis, unless prohibited by illness or other extenuating circumstances.
- To make contractual tuition and other payments in a timely manner as agreed upon in the financial agreements.
- To cooperate with disciplinary procedures as necessary by working with school staff to understand the problem, the procedures taken to correct it and any needed follow-up steps that should be taken at home.
- To understand that the Administration will be making the decision regarding placement of my child as far as room, teacher and class assignment is concerned.
- To allow my child to take part in all school activities, including sports and school sponsored trips away from the school premises, and absolve the school from liability to me or my child because of any injury to my child at school or during any school sponsored activity. All information given is to the best of my knowledge.

I have read the "Mission Statement, "Statement of Faith", and the "Core Values". I understand that these principles are the foundation of the entire program of TPCA, including all instruction and discipline.

If there are questions or problems on our part in any of these areas, I agree to seek resolution through the proper school channels in ways that are respectful of school policy and staff.

I verify with my signature that all information provided on this and other forms is accurate and complete.
